

At CHAOS in April we explored the story of THOMAS.

We made crosses using nails

Just like Thomas we thought about our doubts. We asked Jesus to help us and trust him,

We all got crosses on our hands. Thomas in the Bible wanted to see the marks on Jesus' hands, made from the nails on the cross.

Here is Sonia using her hands to feel in the bucket of beans, Thomas used his hands to feel the scars on Jesus

Poor Thomas. He always get's such bad press because he doubted Jesus had rose again. It's okay to have doubts because it is our doubts that spur us on to find the answers. Jesus came and met Thomas just where he was and brought him peace and understanding. Jesus offers us all that same peace and deeper understanding through His word.
